**OBJECTION TO ORDER REGARDING  
APPLICATION OF SENTENCING GUIDELINES**

Now comes the defendant in the above-entitled matter and sets forth his objection to the Order of the Court Regarding Application Of Sentencing Guidelines and assigns as reasons therefor the following:

1. If the United States Supreme Court does not rule by January 12, 2005 in *Booker* and *Fanfan* with regard to the validity of the United States Sentencing Guidelines, no good reason appears as to why a wait should not be imposed by the Court rather than a hasty sentencing so as to dispose of the

case with an eye towards making certain that the sentencing is constitutional.
